Principal’s Report

Year 12 Graduation
This Thursday we will hold our Year 12 School Farewell for the boys on Thursday evening, this will be a culmination of the 13 years of schooling and should be a great night for the boys. I would like to publicly congratulate both Codan and James on their efforts and would like to wish the both the very best for their future. We will hold a formal farewell assembly on the last day of term for the boys at school. We are looking forward to recognising the boys at each of these events. I would like to invite community members, parents and carers to our assembly on Friday 19th Sept starting at 10.00am.

FETE
This Thursday we will be holding our bi-annual Fete with many wonderful items created by the students on sale and lots of fun activities happening around the school. There will some old furniture and items which are excess to the school on sale, these will be sold as first in best dressed. All profits from the fete will go towards supporting our school excursions in term 4. Remember the more we raise the less cost to you.

We have also three very brave staff members who will be completing the ice challenge to raise money for Motor Neurone Disease at the end of the fete. These three staff have offered to complete the ice challenge if the following amount is raised:

Mr Small $100.00 raised

Mr Small and Mrs Dillon $200.00 raised

Mr Small, Mrs Dillon and Mrs Bendall $300.00 raised

So please help out our students reach their goal of $300.00

Steer Program
Our steer program is currently full steam ahead and our AG students along with some students in the primary area are currently spending some of their lunch times working with the steers. Miss Goldthorpe and the students headed to Merriwa on Sunday and learnt some invaluable skills about showing the steer. Well done to Brock, Bradley and Miss Goldthorpe.
ASPIRE WOW
Last week Ricky Riley spent the week in Sydney on a “Week of Work Experience” which was coordinated by ASPIRE. Ricky enjoyed the week away and especially enjoyed his time at the prosecutor’s Office and being in court. Ricky now has aspirations to work as a prosecutor when he leaves school.

Happy Holidays
I would like to wish everyone a relaxing and enjoyable two week break and just a reminder, students & staff return to school on Tuesday 7th October.

Concerns or Questions
If at any time you have concerns or questions about your child’s education please feel free to contact me at the school on 69729105.

Until next term....

Safety On Wheels Challenge
This week the students in years 3 to 6 will be involved in a safety challenge against another school through a VC. The students will have to answer questions and work together to challenge the other school.

Father’s Day
K-2 students had a great time making their chocolate and apricot balls for their dad’s. Students in Years 3 to 5 enjoyed designing and making a special sign to give to their fathers on father’s day. We hope you all liked your presents and enjoyed the day.

Our Garden
Students have been busy looking after their garden. Years 3 and 4 have a responsibilities chart, where each student is responsible for watering the garden each day. We have also been weeding as a class.

Maths at the CO-OP
This week students will again walk down to the CO-OP for their Maths lesson. The students have enjoyed doing hands on lessons and completing Maths tasks involving whole number, data, money and measurement so far.

Fete Preparation
K-2 have been very busy making their items to sell at the Fete. We hope you will all come along and buy something.

YEARS 5 & 6 LITERACY GROUPS

In Literacy groups the 5/6 students read a story by Ambelin Kwaymullina and Leanne Tobin called, The Lost Girl. After this they became very motivated with their own writing and produced some interesting pieces.

Mrs Neyland

THE LOST MAN

The man had lost his way. He wandered away from the city. He hid in a taxi and fell asleep. When he woke up he was in a trash can. It was a trash can with wheels. It tumbled down the hill into the water. The waves pushed the bin into the beach where the friendly lifesavers rescued him.

By Blair

The Lost Girl

The girl had lost her way. She had wandered away from her grandparents and younger brother at the bonfire. She hid in an old abandoned truck, and waited for a search party. After a long time no one came and it was getting dark so she decided to set up camp under a big old gumtree.

The next morning she woke up starving and thirsty so she went to scavenge for food and water. Soon she found a little dam which she drank from. While she was rehydrating a little yabby crawled out of the dam. She tried to catch it for something to eat but it escaped her grasp. She chased it for a long time until it crawled into a bush of stinging nettles.

She looked around at her surroundings and then she realised it looked very familiar. She heard some voices in the distance, she ran towards the sound and there was Gran, Gramps and her little brother standing there. On the way home in the car her little brother asked her, “Were you worried he asked her?”

“How could I be worried I was with Mamma and Pa, when I needed shelter they provided it, when I needed water they gave it to me and when I needed to come home they showed me the way.”

By Grace

THE LOST GIRL

The girl had lost her way. She had wandered away from the jetty, where her little brother was fishing. She hid in a little abandoned boat, she started to dose off.

She didn’t want anyone to know where she was until she found what she wanted. When she woke up she was in the middle of the ocean, she was scared but excited for what was going to happen next. The girl started the motor and drove further out to sea, then at that very moment she found something amazing! It was a whale! As she started the motor, it was gone. She was disappointed but happy that she had seen her favourite animal of the water world. Then all of a sudden a storm broke out. She was frightened but she jumped out of the boat and onto the whales back. The whale drove her all the way back to shore where the SES group was waiting with her family. They were all a little cranky but relieved she was home and safe.

By Tayah Glasgow

The Lost Boy

The boy had lost his way. He had wandered away from the camp site. He hid in the tree tops and shouted so loud that he lost his voice. His father came along. The boy shouted again but his dad didn’t hear him because his voice wasn’t working so his dad walked away.

It took the boy a long time to get down from the tree. He walked alone until he grew thirsty so he stopped at the river to get a drink. Then he grabbed a rock and pegged it at a kangaroo.

He used sticks to make a fire so he could cook the roo. He had lovely roast roo for tea. Then he snuggled near the fire and slowly fell asleep. The next morning he saw a wedge tale eagle. It came closer and closer then it grabbed him and took him back to camp he was so happy to see his family again. His sister wanted to know if he was scared. The boy said he was with mother’s spirit.

By Harley Henschcke
The Lost Boy

The boy had lost his way. He had wandered away from the school excursion at the jungle. He hid in the thick moist bush, and fell asleep while he waited for his group to find him. When he woke no one answered when he called out and he could not find his way back to the group. The boy wandered alone. He grew thirsty, so he stopped at the bottom of a waterfall to have a drink. Then he was hungry so he found a slug and ate it. The afternoon grew colder. The boy huddled in a cave, pressing himself against the last spot of sun. Then he saw an orangutan swinging from tree to tree. The boy followed the orangutan through the trees and under the vines.

At last he heard the voices of his mates and teachers. The group laughed and cried at once to see the boy was safe. They growled at him for his foolishness, cuddled him and gave him a blanket.

Beef Bonanza

On Monday the 15th September, Miss Goldthorpe and 2 students from the school show team participated in a Steer Education day at the Merriwa showgrounds. The day was run by the organisers of the Scone Beef Bonanza and was tailored to the needs of the students. Both Brad and Brock were taken through how to properly groom an animal and how to parade their animals and in the afternoon they were given the opportunity to gain some experience in judging a heifer class and a steer class. It was a long day but both students felt that they learnt a lot and this will help them in preparation for the Scone Beef Bonanza in October.

In regards to the show team shirts and accessories I would like to give a big thanks to Jennifer Ireland for purchasing these items for us, it is greatly appreciated!!

Last Week of Term

I would like to wish everyone a safe and happy two week break. A reminder that the school FETE will be on Thursday and the Year 12 assembly will be held on Friday. A reminder that some assessable items are to still come in this week.
