Principal’s Report

F1 In Schools
Congratulations to Grace, Tayah and Braden who competed in the F1 in Schools Program last week as a Cadet Group in Dubbo last Wednesday. These students did a fantastic job and their fastest time with their car was 1.33 sec. These students were successful and will now compete at the State Finals in early November. Congratulations to our three students and Mr Small for your efforts with this program.

Literacy and Numeracy Week
Next week is Literacy and Numeracy Week where schools across NSW will be celebrating Literacy and Numeracy. At TCS we have decided to hold off our celebrations until the following week where we will be holding an Amazing Race. This will be held on Friday 5th September. More details to follow.

Phones in Class
Just a reminder to all parents and students the current school policy is that phones are not be used or taken into the classrooms during class time. They need to be kept securely in their bags, this is to make sure that students are able to focus on the work being covered, we have currently had some miss use of phones during class times, this has resulted in phones being taken off the students for the remainder of the day. Sensible use of phones is expected at all times. Constable Daniel Greef will be visiting this Tuesday 19th August to discuss use of phones and cyberbullying with the students.

No Hat No Play Policy
As the weather is warming up just a reminder to students they need to wearing hats otherwise they will need to play in a sheltered area. Please make sure you provide your child with a hat at school.

Good Luck to the Unders 16s Netballers and Mens Footballers
Very best wishes to the two teams who will be competing in the Grand final of the Northern Riverina Football and Netball on Saturday, both these teams were Premiers last year and it is fantastic to see both teams competing again this year. Good Luck to the Under 16s Netballers and Mens Footballers!
New School Plan
This week the staff have been looking at the School Plan for 2015-2017, this will be a new plan for the next 3 years. We have been discussing the three areas we think we need for our students to improve and have come up with the following three strategic directions:

- Engagement- Building a community of respectful and engaged learners
- Social relationships- Fostering positive relationships within the school and with the community
- Independent- Creating independent lifelong learners

We will be asking for consultation with our community to do with these three directives and will hopefully discuss these further at the P and C meeting to be held in September. If you would like to discuss these further my door is always open.

P & C Meeting
Due to unforeseen circumstance our P & C meeting which was to be held on Monday 11th August at 5.00pm was postponed. Our next P & C meeting will be held on Monday 8th September at 5.00pm. Mr Glenn Stewart Director for Lachlan Schools will be in attendance to discuss the Principal Role and the future of our school. I would like to invite all parents, carers and community members to the meeting.

Concerns or Questions
If at any time you have concerns or questions about your child’s education please feel free to contact me at the school on 69729105.

Until next week.....

Primary News

F1
Congratulations to Braden, Tayah and Grace on their efforts at the F1 in Dubbo last week. The team will be now heading off to Sydney to compete in the finals later in the year.

Mini Lit
Two weeks ago Mrs Sarah Neyland and Mrs Mandy Glasgow travelled to Nyngan to be trained in Mini Lit. This program helps students to learn and manipulate their single sounds and consolidated what they have learnt in class. Students in K-2 have been grouped according to their needs and this will be slotted into our morning literacy sessions.

NRL Clinic
Our second NRL clinic will be held tomorrow morning with 2 sessions starting at 9.30. Students will be practising the skills they learnt last week and learning new ones.

Lake Show Entries
Students from K-6 have been busy completing their handwriting entries for the show. We have also been busy getting items ready for our school display. Thanks to Miss Pearce for coordinating the display.

K-2
Over the next few weeks K-2 will be designing and constructing chairs, beds and lots of other things out of cardboard boxes and newspaper. If you have any spare boxes or magazines could you please send them into school they would be greatly appreciated.

F1 in Schools Regional Final
Last week Grace, Braden and Tayah travelled to Dubbo to compete in the F1 in Schools regional final. Congratulations to these three students who have progressed through to the state final in the Cadet Class competition, to be held in Sydney in November. Their efforts during lunch and after school paid off with their car scoring 54 out of a possible 60 points at scrutineering. Several judges on the day commended Grace, Braden and Tayah on their efforts for the competition and commented that they outperformed some Development and Professional teams on the day.

20% Project
With the success of the 20% project last semester we have decided to run this again during semester 2. Students will again have the opportunity to direct their study in an area of their choosing. Student may wish to continue with their project from semester 1 or may study another area of interest. It is the students RESPONSIBILITY to decide on an area of investigation within the next 2 weeks and seek the assistance required to succeed in this project.

Constable Daniel Greef
Constable Daniel Greef from Parkes will be in the school today talking to all secondary students about cyber bullying and the appropriate use of technology.

Assessments
A reminder to all secondary students that assessments for term three will be due in the coming weeks. I hope students take RESPONSIBILITY for their own learning and complete these on time, showing their full understanding of concepts being explored. A reminder that the library will be open at lunch times on Tuesday, Wednesday and Thursday.

HSC
Congratulations to James and Codan who are nearly to the end of their formal schooling. Having handed in their major work and sat their trial HSC exams the boys can now focus on studying for the actual HSC exams in early term 4. I wish the boys best of luck and hope they achieve the HSC results they are striving for.

SCHOOL STEER PROGRAM

For the past two weeks, local Allan Ramsay has been assisting the students in working with the steers. Allan’s assistance has been invaluable and he has shown the students many skills, including how to lead with a nose ring in and how to properly groom the animal. On Wednesday the 13th August our big steer ‘Jonah’ weighed in at 360kg.

Next week the year 9 Agriculture students will be going on an excursion to Condobolin High School to learn how to prepare their steers for showing.

Thanks

AMP’s tomorrow fund

$1 million to help amazing Australians doing great things. Apply now!

AMP’s Tomorrow Fund is looking for people of all ages and walks of life who have a dream and are on their way to achieving it.

Inspiring Australians from all fields of endeavour – from art to athletics, IT to environmental care, youth work to social enterprise, music and more – can apply for individual grants of between $10,000 and $100,000.

There are no pigeonholes, no limits to your potential!

Apply before 31 August at ampstomorrowfund.com.au
AMP’s Tomorrow Fund is a new program offering up to $1 million in grants to Tomorrow Makers: passionate individuals of all ages and walks of life who have a dream and are on their way to achieving it.

Through this program, AMP aims to support rising Australian talent and achievement across all fields of endeavour – from art to athletics, IT to environmental care, youth work to music and more.

Who can apply?
Australian citizens and permanent residents of all ages and abilities can apply to be Tomorrow Makers. We’re looking for people with great ideas who need some financial help to make it happen.

They may be a screenwriter who wants to tell a compelling story or a scientist in search of funding for an environmental solution. A Tomorrow Maker could also be a tech expert who is developing a travel app for people with mobility issues, a musician planning to open a rock school, a community worker with a smart social enterprise in mind or a sporty type helping older Australians stay active.

There are no categories, no pigeonholes, no limits to potential.

What can the grants be used for?
Grants ranging from $10,000 to $100,000 will be awarded for a wide range of activities, including training, travel costs, research, living expenses or small business funding. The number and size of the grants will be led by the scope of the applications we receive.

Please note, AMP’s Tomorrow Fund grants are for individuals only, so organisations cannot apply.

Choosing our Tomorrow Makers
A panel of judges from the AMP family will assess the applications and the finalists may be invited for an interview in Sydney in October 2014. AMP’s Tomorrow Fund recipients will be announced at a national awards dinner in Sydney on 20 November 2014.

How to apply
If you have a dream and the drive, apply online at ampstomorrowfund.com.au before 31 August to help make it a reality. To be in the running, tell us what you want to do, how you plan to do it and what you’ve done to move towards your ambition.

Spread the word
If you know a talented Australian with potential to be an AMP Tomorrow Maker, please encourage them to apply for funding.
