Principal’s Report

This has proved to be another week of excitement for Tullibigeal Central School.

Friday 13th hat parade saw lots of students get a small prize for wearing a hat for the competition. Congratulations to Alyssa Loxley for being the supreme winner. Your mystery prize is still on its way. Next month we have another chance to flex our creative genius and make and wear a hat.

Friday also saw our first meeting of guitar club. We are trying to learn 3 chords and play a Johnny Cash song you’re sure to have heard of, *Folsom Prison Blues*. The version I know uses the chords E, A and B7. It is great to be here and playing both types of music with the students.

Many of the students from Years 3 – 8 are at the Sheffield Shield game in Wagga today. We wish them a safe and enjoyable time. It is great to see our kids get the chance to meet and be inspired by state cricketers. It is a hugely long day for them and their teachers. A huge thank you must go to Ms Pearce for organising and Ms Hague and Mr Fyfe for accompanying the students.

Acting against bullying is a big responsibility for us all; teachers, students, parents, community. The front page of the school’s Anti-bullying Policy is included in the newsletter. If I could seek your help with this important matter, by encouraging a cooperative effort to stamp out bullying in our school, our shared efforts will benefit the safety and the learning of our students. The additional pages of the policy are for the guidance of teachers and to provide detail where needed. They are available on request.
Brekky Club is a beast feature of the extra effort teachers make to help students be ready for learning each day. This morning was my day and I want to quickly mention Emily, Brant and Hayden for jumping in and helping where they could see I needed it. Ta.

If you have any concerns or queries please contact me at the school to discuss.

Until next week........

TULLIGEAL CENTRAL SCHOOL

ANTI-BULLYING POLICY

Ratified by staff 3 Feb 2015

P + C 9 Feb 2015

Aim

To provide a framework for members of the Tulligeeal Central School community to prevent and respond to bullying.

Background

Bullying undermines confidence and self-esteem. It is often connected to other inappropriate and dangerous behaviour. TCS and all other NSW schools are required by the Department of Education and Communities to act against all forms of bullying.

Bullying occurs when a pattern of harmful misuse of power occurs which undermines another person’s right to feel safe and respected. It includes cyber-bullying and behaviour both inside school and outside of school which is connected with the school in a significant way. It includes the behaviour of school students, parents and departmental employees.

Preventative Measures

1. The school will take every opportunity to give messages of; inclusiveness, tolerance, respect for each other and acknowledging everyone’s right to feel safe. It will give this message; in classes, on assembly, within the playground.
2. PBL (Positive Behaviour for Learning) messages will each include anti-bullying aspects, which include the responsibility of bystanders to discourage bullying which is directed at someone else.
3. Active supervision; in class, in the playground, bus lines, excursions.
4. Co-operation with bus drivers to minimise bullying during travel to and from school.
5. Communication with parents to convey the anti-bullying message. Reporting of the effectiveness of the school’s Anti-bullying plan in the ASR and other publications.
6. Staff of the school model respectful behaviour to each other and to students.

Responding to bullying

Measures which the school uses to respond to bullying will focus on restorative measures, but will include; time out from activities, detention, suspension, if required.

A. Teachers and other school staff to be alert and responsive to cases of teasing and bullying. They are to avoid being dismissive of reports of bullying.
B. Bystanders are to be encouraged to respond against bullying by their peers.
C. If bullying can be adequately responded to by a teacher, employee or parent in an immediate, restorative way then this is to be encouraged.
D. If a case of bullying warrants, a supervisor should be involved; the AP, Head Teacher Secondary Studies or the Principal. Supervisors will respond in a timely and efficient fashion to cases of bullying.
E. If the situation requires, the Procedures for the Suspension and Expulsion of Students will be invoked.

A more detailed annex is a part of the file and can be accessed on request.

WEP Student Exchange –
A Once-In-A-Lifetime Opportunity!

World Education Program (WEP) Australia is now accepting applications from students who wish to participate in 2014/15 exchange programs for a summer, semester or year. Students can choose to study and live life with a carefully selected host family in more than 25 countries.

Exchange students return to Australia with maturity, confidence, and in many cases, proficiency in another language. If learning another language is not for your child, excellent programs to the USA, Canada and Ireland are also available.

I did it! 10 months in a foreign country, without knowing the language or culture. Thinking about all the amazing people I’ve met, the lessons I have learnt and things I have seen, I feel truly lucky to have been here living a different life. I have no regrets, as I have grown to be more mature, open to life and aware of the world around me. Despite it being hard, it has also been the best thing I have ever done for myself. I now feel ready to start life in Australia with a clearer idea of my strengths, weaknesses and my future goals. Exchange has really helped me define myself.
