Principal’s Report

Drinking Water
As you will read elsewhere in the newsletter, some of the water supplying Tullibigeal is not potable. While I realise that many of us will continue to drink water out of the tap, it is apt to consider how we use the spring water which is supplied near the front office and how students should use and respect it.

Every student should have a hat and a water bottle. It is their water bottle which they should fill at the spring water. Plastic cups are there for visitors. Students should do this at a break and not during class time. Before and after school and at recess and lunch are the best times.

Calculators
Secondary students are expected to bring a calculator to school. It provides an easy way to deal with calculations which are part of the curriculum in many subjects as well as mathematics. A scientific calculator is available for $22 from the front office and is appropriate for use within HSC examinations.

Students are reminded not to forget their manual methods of calculation since these are examined as part of the Naplan tests which students sit in Years 3, 5, 7 and 9 in May this year.

Bullying
We hope to improve students’ lives by doing our best as a community to resist and stamp out bullying. As we think about bullying, it is worthwhile to remember that people who bully may not see that their behaviour damages other students’ self esteem. It is our job as friends and responsible adults to talk about the damage which bullying does and stand against bullying behaviour.

If you have any concerns or queries please contact me at the school to discuss.

Until next week........

SHEFFIELD SHIELD

Year 3 - 8

Last Tuesday Years 3-8 went on an excursion Wagga. They watched the Sheffield shield test match, at Robertson Oval. Victoria Bushrangers were playing NSW Blues. NSW won pretty easy. They got to meet Nathan Lyon, Steve O’Keefe and Rob Quiney. They all had a great day. A big thanks to Miss Pearce, Mrs Hague and Mr Pic.

Primary News

Congratulations to all our competitors who competed at Lower Lachlan Swimming Carnival last Wednesday. We had some great swimmers and we were awarded with the Lower Lachlan Handicap Trophy. Special mention to Tayah Glasgow, Elly Ireland, Bill Dillon and Dylan Bendall who have reached the next level and will be competing at the Western trials in 2 weeks’ time in Dubbo. Good luck!

Wednesday 18th March Life Education Van will visit all students Kindergarten to Year 6. The cost of the visit is included in your annual school fees. Permission note and a merchandise form will be handed to all primary students next week.

Tullibigeal Central School has been registered as a Clean Up Australia Site this year and we would like to encourage you to join us. Our Clean Up Australia Day will take place on Monday 2 March 2015 at 2pm. ALL students K - 6 are asked to bring some gloves and a plastic bag to school to help with the clean-up. We will clean up around the school and the surrounding areas. Please go to http://www.cleanupaustraliaday.org.au/Tullibigeal-Central+Schoo for extra information or call the school. This is a great way to do something good for our local environment.

Just a reminder that all students should come to school with a hat and a water bottle as the weather is quite hot. Could you please make sure your child comes to school well prepared.

If you have any questions or concerns please contact me at the school at your earliest convenience.

Water Bottles
Can students please ensure they bring a water bottle to school each day. These bottles can be filled up in the front foyer from the water cooler during recess and lunch.

Assessment
Students in Stage 4 (Years 7&8) and 5 (Years 9&10) have now received their Assessment Procedures and Schedules hand book. Students should now be fully aware of when assessments will occur and how these need to be submitted. Students need to submit the assessment to the head teacher’s office on the Tuesday of the due week before 9am. Please find the assessment schedules of Stage 4 and 5 first term in this newsletter.

Secondary Mathematics
Can all students in secondary please ensure they have a scientific calculator for their maths classes. Students are not allowed to use their phones as a calculator in class and will definitely not be allowed to access the calculator on their phones in an exam. Calculators can be purchased through the school.

TULLIBIGEAL CENTRAL SCHOOL

ANTI-BULLYING POLICY

Ratified by staff 3 Feb 2015  P + C: 9 Feb 2015

Aim

To provide a framework for members of the Tullibigeal Central School community to prevent and respond to bullying.

Background

Bullying undermines confidence and self-esteem. It is often connected to other inappropriate and dangerous behaviour. TCS and all other NSW schools are required by the Department of Education and Communities to act against all forms of bullying.

Bullying occurs when a pattern of harmful misuse of power occurs which undermines another person’s right to feel safe and respected. It includes cyber-bullying and behaviour both inside school and outside of school which is connected with the school in a significant way. It includes the behaviour of school students, parents and departmental employees.

Preventative Measures

1. The school will take every opportunity to give messages of; inclusiveness, tolerance, respect for each other and acknowledging everyone's right to feel safe. It will give this message; in classes, on assembly, within the playground.

2. PBL (Positive Behaviour for Learning) messages will each include anti-bullying aspects, which include the responsibility of bystanders to discourage bullying which is directed at someone else.

3. Active supervision; in class, in the playground, bus lines, excursions.

4. Co-operation with bus drivers to minimise bullying during travel to and from school.

5. Communication with parents to convey the anti-bullying message. Reporting of the effectiveness of the school’s Anti-bullying plan in the ASR and other publications.

6. Staff of the school model respectful behaviour to each other and to students.

Responding to bullying

Measures which the school uses to respond to bullying will focus on restorative measures, but will include; time out from activities, detention, suspension, if required.

A. Teachers and other school staff to be alert and responsive to cases of teasing and bullying. They are to avoid being dismissive of reports of bullying.

B. Bystanders are to be encouraged to respond against bullying by their peers.

C. If bullying can be adequately responded to by a teacher, employee or parent in an immediate, restorative way then this is to be encouraged.

D. If a case of bullying warrants, a supervisor should be involved; the AP, Head Teacher Secondary Studies or the Principal. Supervisors will respond in a timely and efficient fashion to cases of bullying.

E. If the situation requires, the Procedures for the Suspension and Expulsion of Students will be invoked.

A more detailed annex is a part of the file and can be accessed on request.

TULLIBIGEAL

A lovely luncheon was held before the meeting last week in honour of President Fay’s birthday. Thank you to our guests who kindly did the dishes. We are hoping that they will come again soon.

Our meeting was busy, with discussions about the Picnic Race Club catering, our Group Land Cookery and Handicraft entries, maintenance of our rooms and garden and preparing Emergency Packs for the hospital. Our next Packaging day will be before the June meeting. Reports were given from attendees at the Group Luncheon where we learned about the Griffith Carevan from Griffith Australia Day recipient, Michelle Bordignon. A report about the International School told us a little about our country of Study this year, Italy. Don’t forget members, and Ella and Deonye, that the cookery competition is on Monday 9 March. Please also note that we need a new Publicity Officer. If you are willing to ‘have a go’ until October, then give Fay a call.

We shout out a ‘Get Well Soon’ to those members who have been ill.

The winner of the competition was Hilda, Ingrid won the flower competition and Fay won the raffle. The 2015 competition list was handed out and next month’s competition is an old newspaper article.

Next Tuesday 3 March is our Seniors Afternoon. All are welcome. Our next meeting will be Tuesday 17 March at 2pm.

Tullibigeal,

Re: RETICULATED NON-POTABLE WATER SUPPLY

Recently samples of Tullibigeal non-potable water supply were taken. Unfortunately one sample returned a positive result, for E.coli bacteria. This positive result indicates that a section of the town reticulation system may be contaminated with E. coli bacteria. These organisms may cause gastrointestinal illness.

As a precaution you are advised that the Tullibigeal water supply is a non-potable water supply and not recommended for consumption. Should you choose to consume water from the non-potable water supply it should be brought to a rolling boil. Water should then be allowed to cool and stored in a clean container with a lid.

Boiled or bottled water should be used for:

Drinking, cooking, washing uncooked foods (such as seafood or salads), making ice, personal hygiene, pet’s drinking water, washing hands, cleaning teeth, gargling, face washing of young children, washing toys and children’s utensils.

Dishes should be washed in hot soapy water or in a dishwasher. Children should take boiled or bottled water to school.

Your use of tank water to supplement your household water is at your own discretion.

Your assistance in this matter is appreciated and should you require further information please contact Council’s Acting Manager-Utilities, Marco Breakenridge on 6895 1966.

Yours sincerely

Phil King

The 27th of February, this Friday will be our last days for any child under the age of 10 being able to attend the youth rooms. Due to a change in procedures and policies put into place in 2014 we are having to change how the youth centre operates. Guidelines given to me at the end of 2014 stated that the youth centre will cater only for children 10 years and over. Tullibigeal has been given a green light to have one more session allowing under 10’s to attend, after this the youth rooms will be only in operation for youths over 10 years old. I am again hoping that this week I will get an opportunity to speak with all parents of children between 10 and 17 years of age so that we can discuss ideas, activities and preferred times.

In March (13th and 27th) the Youth Centre will open from 5:30–7:30pm every Friday fortnightly for children aged between 10 and 17. Depending on the attendance and interest in the Youth Centre operation days and activities offered will change. No-one is required to stay for the whole time that the centre is open. 5 minute visits are more than welcome. If you are unable to be there during March but are still interested in attending at some point or are wanting to know what is happening and wish to voice your opinion please call me.

Please let me know if they are interested in being a volunteer at the centre, as your help is greatly appreciated.

This Friday we will be having a games night including physical challenges and board games.

Thank You,

Sharon.
